Re: Notice of Availability (NOA)

Dear Ms. Roberts:

The Federal Highway Administration (FHWA) has completed the Final Environmental Impact Statement (FEIS) for the "Mid County Parkway" project located in Riverside County, California. The project entails construction of a new freeway from the City of Perris at Interstate 215 to the City of San Jacinto to junction with State Route 79.

FHWA is hereby submitting the FEIS for publication of the NOA in the Federal Register (FR). Circulation of the FEIS shall be accomplished no later than Friday April 17, 2015. Therefore, we request that the NOA be published in the FR on Friday April 24, 2015. The FHWA point of contact is Tay Dam. He can be reached at (213) 894-5918 or email at tay.dam@dot.gov.

Sincerely,

For
Vincent P. Mammano
Division Administrator
